

Welcome to the 5-18 Club!

We are privileged to have the opportunity to help your children explore careers while completing hands-on activities. Our programs are designed to provide your child/children a variety of hands-on opportunities to apply what they are learning in school. It is our hope that this will nurture a love of learning and a desire to be the best student they can be!

In order to offer our activities, the following cost structure is in place:

Youth Center Membership	\$20/month per child enrolled in programming This allows your child to participate in any free activity at the center.
Special Workshop Fees	Vary Fees for workshops are determined by cost of supplies. Fees only apply to special activities such as design your own t-shirt, 3D-Modeling, and painting. Below are sample fees. <i>Don't forget that your child can earn vouchers by positively and actively participating in learning stations.</i>
Sample fees:	
Design your own t-shirt	\$15/child <i>includes t-shirt, vinyl, rhinestones, etc.</i>
Painting Classes	\$20/child <i>includes an easel, canvases, paints, brushes, and other supplies</i>
Dino Dig	\$5/child <i>includes use of 'archeological dig kit' and one dinosaur egg with baby dino inside.</i>

Please understand that we do our utmost to offer most programs free of charge. However, sometimes we need your help providing consumable tools necessary for your children to have the best experience possible. Thank you for your assistance.
